Re: Notable Changes to Point of Use (POU) Solicitation – VA777-13-R-0133

On Wednesday, July 31, 2013 the Department of Veterans Affairs hosted a pre-proposal conference to provide a high level overview of the program relating to the (POU) project that is outlined in the Request for Proposal known as **VA777-13-R-0133**. During the conference, the government also addressed questions that were submitted prior to July 31, 2013 with the government providing answers. Also, there was an allotted time period where additional questions were posed, by those in attendance, and the government provided answers to those questions as well. All questions and answers are now posted to this amended (RFP) known as **VA777-13-R-0133**.

An amendment to the solicitation known as **VA777-13-R-0133_A00002** has been made to reflect updated noted changes below as of **August 7, 2013**:

- ✓ The Department of Veterans Affairs has elected to extend **(RFP) VA777-13-R-0133** for the POU Systems Project, **until on or before Monday, August 19, 2013 at 10am CDT**.
- ✓ Attached is an updated copy of the Questions posed by potential offerors and the Answers provided by the government relating to the POU Systems Project.
- ✓ Other than the two items noted above, all other notable changes identified in the previous Memo For Record (MFR) remain unchanged.
